

TARREMAH
STEINER SCHOOL

18 July 2006

Dear Parents,

Enrolment Survey

We have received a pretty good response for the Enrolment Intentions Survey, a little over two thirds of our 159 families have returned their completed survey forms.

While this is a good result it only provides us with a partial view of student numbers into the future – we would like a more complete picture if that is possible.

If you have not returned your survey we urge you to do so as soon as possible.

If you have mislaid your form you can obtain a new one from:

- ❖ The school office
- ❖ The web site (<http://www.tarremah.org>)
- ❖ Your class teacher

We would like to thank all those parents who returned their surveys and once again urge those who haven't to do so. All surveys should be returned to the school office as soon as possible. Please contact Karen Fisher if you have any queries.

Yours sincerely

Richard Widows
Council Chair
